Hi Miranda,

I did a quick skim of the tech approach and there are a few additional comments / edits I would like you to consider. I should have them to you by the end of the day or early tomorrow.

Miranda,

The revised technical approach for the Deschutes TMDLs is attached. **Ex. 5 Deliberative Process (DP)**

Let me know your thoughts about this - we can still adjust this part for the QAPP if needed.

Thanks,

Miranda,

Thanks for the additional information to support the technical approach. I was anticipating to send you the revised technical approach today, however, I need to make a few final updates based on the information you provided, mainly

Ex. 5 Deliberative Process (DP) I will send the revised technical approach to you Monday and we anticipate that we will be able to deliver the QAPP by next Friday, December 14th.

Thanks,

Michelle

Hi Michelle and Jon,

I've had a chance to talk with Chris Zell about some of his comments

Ex. 5 Deliberative Process (DP)

And last, do you have an estimate for when the revised TA might be finished, and when the draft QAPP will be ready to review?
